

Presentation

Team: FreeUnion

Location: Shenzhen, China

Introduction

In 2001, FreeUnion was formed with a small group of highly adept translators and technology experts. FreeUnion's mission is to help firms meet that goal by providing premier technical translation(simplified chinese and traditional chinese) and Multilingual DTP(CCJK, FIGS, Thai, Vietnamese, Portuguese, Finnish, Swedish, Greek, Estonian, etc.). We would be pleased to act as your interface for some of your East Asian language projects. **Being based in China, FreeUnion is able to offer more competitive prices for labor-intensive work such as TEP and DTP.**

Service:

Multilingual DTP: S.Chinese, T.Chinese, Japanese, Korean, Thai, Vietnamese, French, German, Spanish, Italian, Portuguese, Finnish, Swedish, Greek, Estonian, Hungarian, Latvian, Lithuanian, Polish, Turkish, Czech, Slovak etc.

Engineering: Bitmap & Graphics, Web, Flash

Translation: English to Chinese, Simplified (Mainland China), Chinese, Traditional (Taiwan China) and Chinese Traditional (Hong Kong China) translation. Technical areas of expertise are automotive, General IT, CRM/ERP/SCM, CAD/CAM, Imaging industry, eBusiness, Electronics, Network Security, Telecommunication etc.

Main projects engaged:

HP series printer, Siemens Medical Equipment, Microsoft CRM, Intel Website, Oracle ERP and NAI network security etc
