To whom it may concern,

At [Gengo](#), a web-based human translation service, our remote community of translators provide quality translations across 63 language pairs. Our translators are pre-tested and held to exceptionally high standards through ongoing assessment and feedback.

Raja R is qualified in:

- Standard level in English to Hindi

Raja R has been a valued member of our community since December 26, 2018 and has completed 501 approved jobs (5907 words/characters).

Our Language Specialists, experienced linguists and native speakers of the target language, regularly review translators' work. Using our unique checking system, Raja R's average quality score is 7.97/10 with 0 rejected translations.

We hope this helps your decision-making process.
