KNOW MORE ABOUT ME

I am a Swahili native speaker and professional, have been in the industry for almost 2 decades, I do hold a degree in Translation and Interpretation, and would like to be your Swahili and Other African Languages Service Provider. My rates are very competitive from **0.05 USD to 0.25 USD per word** depending on the language in question, content of the work, rush, and ofcourse my client's budget.

WORK EXPERIENCE

March 1999 - Present

Founder at Languages Africa – www.languagesafrica.com

I was among the very first and few Professional Linguists in Africa that embraced the translation and Interpretation industry full time in the late nineteen-nineties.

- From that time, I have translated into Swahili, Kinywanda and Kirundi from English and vice versa.
- I have also put up a Team of Inhouse Resources to assist in the processing of the other African languages such as Somali, Amharic, Tigrinya, Oromo, Luganda and others.
- I came up with a winning management Team and started implementing our first 10 year strategic plan.

March 1999 - Present

CEO at Languages Africa – www.languagesafrica.com

I took up the challenge, immediately, of overseeing the African Languages Service company's overall growth, direction and strategic planning in the late nineteen-nineties.

- I have focused on sales and overall expansion of Languages Africa (LA) leading to acquisition of new clients and retention of the old existing ones.
- We have also been able to open new operation offices of LA in Zanzibar Island; the Swahili epitome, Kampala in Uganda; the pearl of Africa, Kigali in Rwanda; the land of a thousand hills, Dar es Salaam in Tanzania and DRC in Congo.

March 1999 - Present

Swahili Language Service Provider by Mpasua Msonobari – www.mpasuamsonobari.com

I am a Living Swahili Legend! I have been translating into and from Swahili for almost 2 decades and do enjoy my work. I have a passion for the Swahili language. I am able, viable and available for your Swahili project and do assure you that you shall enjoy my exceptional Swahili services.

- Throughout my experience in the Swahili language, I have developed and sharpened my other personal job related skills that I have outlined for you later on this resume.
- I have also nurtured other Swahili linguists over the years and released them into the job market and now they are working independently.
- I have been and do still translate for CROs, Key NGOs, Refugee Centres, Translation Agencies, Public Schools, Public Hospitals, Multi National Companies such as Microsoft, Google, and Government entities from UK, US, Canada, and All over the world.

March 1999 - Present

African Language Service Provider at Languages Africa – www.languagesafrica.com

I am an exclusive African Languages Service Provider through my Languages Africa Agency in all the other African languages. I have a Team of Inhouse resources who are native and qualified.

- I and my Team are highly responsive and responsible in all the tasks allocated to us.
- Some of the popular African languages that we deal with are attached in the annexes and can also be availed upon request.
- Our rates are very competitive and are from 0.05 USD to 0.25 USD per word depending on the language in question, content of the work, rush, and ofcourse my client's budget.
- I and my Team have worked on projects with vast subject areas including but not limited to: Business and Advertising, Marketing, Law, Technology, Telecommunications, Medicine, Life Science, Education, Health and others.
