Sabina Argüeso

Translator/ interpreter

- Extensive experience translating and interpreting (English < > Spanish) in the market research industry. Working on 2 – 4 projects per week for over 10 years, including focus groups, in-depths etc., Sabina has built a wide-ranging knowledge network
- Specialized in the medical/pharmaceutical industry, as well as the consumer industry, Sabina works regularly with a number of corporations and organizations in and outside the pharmaceutical industry
- Work entails both translating and interpreting in Spanish and English. As a translator, she translates materials to be tested in market research on a wide range of topics, as well as output from the research (Spanish < > English); as an interpreter, Sabina performs simultaneous interpreting of market research focus groups, and in-depth interviews
- Her experience is the foundation for her quick grasp of the subject matter, and accurate translation work
- Her linguistics skills are complemented by her thoughtful cultural understanding, which makes her a valuable member of the research team when working in close contact with foreign clients
- Previously Sabina was business editor at management consulting firm McKinsey & Co. in Madrid
- Bachelor in Spanish Philology (Universidad de Deusto, Bilbao). She also holds a PhD in Linguistics from the University of Texas at Austin (USA) (1989)
