LANGUAGE SERVICES EXPERIENCE

Freelance Translation

Full-time professional translator since 2002, working with direct clients and select agencies.
Focus on IT, mechanical engineering, marketing and localization, especially for online gaming.

Highlighted projects:

- "The Family Office." Translated and authored new content for this handbook for Ultra-High Net Worth Individuals, ca. 300 pages. Published by Palgrave (McMillan) in January 2019.
- *deutsche presse agentur (dpa)*. 2000 - 2011. Three to five articles (1000-2000 words total) science and technology articles per week for publication.
- "Economic Impacts and Visitor Satisfaction for the UEFA Euro 2008™ in Austria," official status reports and final report for Austrian government agencies.
- *heise Security*. 2006. Urgent ticker articles and longer thematic articles related to IT security. 600 lines of tagged text weekly.
- *sehnsüchte* film festival, Potsdam, Germany. 2003, 2004, 2005. All translation for major international film festival.
- *baltic consult*. 2002 - 2004. Weekly translation and typesetting of various magazines recapping Eastern European business trends.

Games Localization

Extensive ongoing freelance relationship with biggest names in gaming industry, including:

- Giants in the casual games field (Bigpoint, Gamigo)
- Boutique development houses (S&H Localization, QLoc, neukreativ)
- Casino games (PokerStrategy)
- Console games (FIFA 2005)
- Traditional board and card games (Rasenskat, various promotional products)
- Custom projects (translation of massive scavenger hunt for McKinsey annual outing)

Literary Translation

- Member, American Literary Translators Association (ALTA)
- Treasury of Optics, extensive collection of academic texts on the collection at the Optical Museum of Jena, home to Carl Zeiss. Published 2013 (ISBN 978-398111-205-4).
