Thank you for showing interest in our company.

Specialising in the field of **technical and scientific translation**, we are a team of professional translators and revisers who offer the following languages:

English	⇒	French
German	⇔	French
Spanish	⇒	French
Portuguese	⇒	French

*Other combinations available on request*

Established in 1990, we have almost two decades of experience in the translation of technical documentation in the following fields:  
chemistry, pharmaceuticals, cosmetics, medicine, genetics, biology, agriculture, food industry, viticulture/oenology, physics, metallurgy, mechanical engineering, electronics, textiles, paper, plastics...

Our Team is composed of:

- a **scientist** with an MA in Chemistry/Physics, who worked in the industry for more than 20 years before turning to technical translation 18 years ago;
- a **scientist-linguist** who holds a PhD in Biology as well as an MA in technical translation;
- several highly-qualified **linguists-terminologists** (MA).

Translating exclusively into our **mother tongue** and working in close co-operation with each other to ensure accurate translation and proofreading, our team is able to offer you translations of **extremely high quality**.

Please do not hesitate to contact us for more information regarding our services and prices.

We hope to work with you soon.

Yours sincerely,

**The ROBINTECH Team**
