PROFILE

I specialize in medical document translation, particularly handwritten documents; e.g., patient records, nursing notes, clinical histories, death certificates, accident reports, surgical reports, etc., as well as pharmaceutical documents such as clinical trial applications, investigator brochures, SAE reports, ICFs, etc.
Localization, editing, and review of documents is available, as well as transcription.
Rates are flexible, depending on the difficulty and length of the translation as well as turnaround time. Please contact me for further information.
