43-300 Bielsko-Biała
Poland

BIO

I am an English – Polish translator specializing in technical, IT, finance, business, and legal translation and in website and software localization.

I devote my spare time to develop personally and professionally and I regularly participate in various work related courses and conferences.

In 2015 Jakub Hnidec Translations company was founded to mark my presence in the market.

PROFESSIONAL EXPERIENCE

English to Polish Translator and company owner

Jakub Hnidec Translations (2015-Currently)

English-Polish translator and language consultant since 2009. Since 2015 this is my main line of work. My main areas of expertise are technical, marketing and IT texts, as well as software localization.

English to Polish Translator

Freelance translator (2009-2015)

Freelance translator and interpreter for such companies as APM PRO and Marrodent. Texts mainly involved technical documentation and marketing materials

EDUCATION

University College of Social Sciences in Częstochowa (2009 - 2011)

Master in the field of Philology, with major in Applied Linguistics of English with Translation

University of Bielsko-Biała (2006-2009)

Bachelor in the field of Philology, with major in English Philology
