

Hello!

The pen is mightier than the sword! My pen is my might and the sky my limit. As a writer by heart, I love and believe in the work I do.

My name is Helge, but people call me Alex. I am very interested in collaborating with you with the Norwegian content you need to be created, revised or translated for your company.

I can create high-impact SEO, blog posts, website content and creative writing posts for both individual clients and for companies. I can create effective content for all types of niches with focus on fully credible research.

I am a native Norwegian Copywriter, Translator, and Proofreader with more than 10 years of experience providing high-quality SEO friendly localised, fresh web content, translation and transcriptions in a high variety of fields.

Please have a look at some work samples from earlier projects at:
