

BRIEF PROFILE : HANS DHOLAKIA (INDIA)

Hans Dholakia (Full legal name : Hansmukh Rai Dholakia) is a linguist, senior consultant, an experienced faculty, and the Founder-President of Holistic Health & Luminous Learning Inc., Noida, India. He also happens to be :

- An engineer (did Chem Engg. from Jadavpur University, Kolkata 1967-72 batch),
- A published author and a poet (in English, Hindi and Gujarati),
- A linguist (About 50 years' exposure to 7 languages, viz. English, Hindi, Bengali, Gujarati, and a fair amount of Sanskrit, spoken Urdu & Oriya),
- A holistic trainer blending modern science with universal spiritual principles and scientific yoga-meditation,
- A motivational speaker who has helped tens of thousands in India and abroad,
- A Personal Life Coach, and
- A Corporate Yoga Coach (in his personal life, he has been practicing Yoga for about 36 years (incl. *Kriya Yoga*, the highest Pranayama/Meditation technique).

Experience : He has close to 50 years' total work experience, being 20 years in training/coaching/translation etc., and the rest in Engg. Design/Sales/Marketing etc. ending at Director/VP levels.

His training/coaching seamlessly blends Science with Spirituality, integrating modern management thinking, mind-body wellness research, Quantum Theory, Psycho-neuro-immunology, Neurocardiology and S.Q. etc., with ageless spiritual wisdom of all faiths and scientific techniques of Yoga-Meditation, free from all kinds of religious dogma.

Language services : With a knack for linguistics, he enjoys doing freelance work in Content Writing, Editing, Translating, Voice Over, Interpreting, Subtitling, Transcription, Transcreation, etc. With a long and keen exposure to these languages, he can translate freely as follows :

- Both ways between English and Hindi
- Both ways between English and Gujarati
- One way from Bengali or Oriya into English, Hindi or Gujarati.

His 3 books (including one in Hindi) have been published on Amazon KDP. Well over a hundred of his articles on holistic wellness/happiness/personal growth can be seen at : <https://www.linkedin.com/in/hansyoga/detail/recent-activity/posts/> while his profile at proz.com is <https://www.proz.com/profile/1794776>. He is associated with several globally known localization companies using various CAT tools.

The subjects on which he loves to write/translate/transcreate/interpret/proof-read etc., are as varied as Chemical Engg. (especially renewable energy resources, eco-balance, global warming, nature-friendly technologies etc.), business management, sales and marketing, philosophy, literature, spirituality, self-improvement, holistic wellness, coaching and training. For voice over, he has a deep, sombre voice (has done thousands of public speaking sessions and many announcements in Eng/Hindi).
