SOFÍA SABATINI

AIM My aim is to be able to contribute with the knowledge of languages I have, as well as to grow and keep on learning through new professional experiences.

EXPERTISE I am a Spanish-English translator; I have a BA in Translation and three years of professional experience as a Freelance Translator.
My areas of expertise are mainly: Medicine, Engineering and History. I began working in these areas during my University career, and kept on specializing through my professional work.

**PROFESSIONAL
EXPERIENCE**

LIVAMILL S.A.

01/2011-12/2014

I was an Administrative, I worked within a group in the company's finances.

CAPTION GROUP

12/2014-08/2014

In Caption Group, I started as a Subtitle Operator, captioning online tv programs. In March I was promoted to Coordinator, and I worked making the day's schedule, and I was also for IT support for a group of Operators I was in charge of.

STUDIES

UNIVERSIDAD DE MONTEVIDEO – LICENCIATURA EN TRADUCCIÓN

At college I began my professional career in Translation, and I did courses on Audiovisual Translation, Medical Translation, Engineering Translation and Software Assisted Translation.

OTHER STUDIES

On 2014 I did a course on SDL Trados, software I have been using for my translations ever since. I have also worked with Wordfast.
