

*ALIKI ZANESSIS'S COVER LETTER
& CURRICULUM VITÆ*

I am Aliko Zaneſſis. I ſpent my childhood in Greece and completed my ſtudies in Italy, where I live now. My mother is Italian and my father is Greek, ſo I am perfectly bilingual.

Since I was a child, I have been fond of languages and decided to become a translator. Given that I love cinema as well, I undertook ſpecific ſtudies in the audiovisual field. In this field I am able to employ my language and digital ſkills.

Of course my Italo-Greek background provided me with an excellent knowledge of Italian and Greek.

Thanks to my ſtudies I have an excellent command of both British and American English, and I achieved a deep knowledge not only of Caſtilian Spanish, but alſo of its main Latin American variants, with a focus on ſpoken language.

In addition, I have a basic knowledge of French (DELF B2).

Finally, ſince my paſſion for languages is ſtill very preſent, I'm broadening my knowledge of Catalan.
