 Common European Framework of Reference for Languages

Communication skills Good communication skills improved through group activities especially at University as well as through the job I had and the sport I play, in which the communicative skill represents a crucial requirement in the relationship with other people. Besides, I hosted a radio show during two seasons and I play balalaika in a band, two activities that require good communication skills.

Job-related skills Ability to work under pressure and in stressful environments.

Computer skills Good command of Microsoft Office tools, of the Internet and of some machine languages, due to my Secondary Education studies.

Other skills Use of spare time cultivating a passion for classical and modern literature and cinema. Interest for music being a member of an experimental band.
