Personal detail

Date of Birth: February 13, 1990
Age: 30
Marital status: Single
Interests: Travelling, Investment, Automobile, Digital Marketing, Data Science

Education

2012 - 2015   :   Master of Chemical Engineering from King Mongkut's
                      University of Technology Thonburi, Bangkok, Thailand.
2008 - 2012   :   Bachelor of Chemical Engineering from King Mongkut's University
                      of Technology Thonburi, Bangkok, Thailand.

Extra Curriculum / Activities

• 2015 – Present   : Freelance translator for Thai to English and vice versa
                         - Chemical Technology and Related Industries, Medical, Legal&Law,
                           Biotech Technology, Automotive, Pharmaceutical, Marketing, Business
                           and etc.
• 2017 – 2018   : Sourcing & Purchasing engineers at ENSERV POWER CO., LTD
• 2015 – 2016   : Served in The Thai Military service.
• 2015   : Sale Engineer at Multibusiness Alliance
                     - To sell equipment / machine for cement manufacturing such as packer, bag
                       Applicator, Separator, Silo, Crusher, Mixer, and etc.
• 2014   : Master's Research Project
                     - Modeling of Dimethylformamide (DMF) Recovery Process
• 2014   : Teacher Assistance of Chemical Engineering Laboratory
                     - Process control
• 2012   : Senior Research Project
                     - Effect of Settling and Sludge Recycling On the Biogas Production From
                       Cassava Pulp in an Anaerobic Stirred Tank Reactor
• 2011   : Internship in Royal Project Foundation for 3 months.
                     - Thermal Efficiency Improvement of Water Boiling Stove in Coffee Drying
                       Process

Basic Knowledge

- Import / Export trade
- Energy Resource and Technology of Energy
- Process Simulation by using Aspen Plus
- Distillation Design

Special Attributes

- Hard working and responsible in my duties
- Positive personality and enjoy co-operation with others
- Can get along with anybody and free to travel

Skills

Computer Skills   Microsoft Office, Aspen plus, SketchUp, C++, Python and SQL
Language   English (Good), Thai (Native)

Few details on IT Project

1. Microsoft Azure manual, Microsoft POWER BI manual and another product from Microsoft
2. HUAWEI_GT_[EMUI]
3. Garmin Watch UX/UI, Forerunner Campaign Game, Garmin Cycling Ecosystem etc.

Few details on Life Science/Medical project –

1. Clinical Trial contents
2. Drug contents
3. Pertuzumab in Addition to Chemotherapy and Trastuzumab as Adjuvant Therapy in Participants with Human Epidermal Growth Receptor 2 (HER2)-Positive Primary Breast Cancer (APHINITY)
4. An independent nonprofit organization called CISCRP and a medical writing organization called Synchrogenix helped prepare this summary for them. It helps understand the results in clinical research.
5. Medical Device – Cardiovascular, In Vitro Diagnostic, Manuals, Regulatory - Informed Consent Form , Patient Recruitment Materials, Clinical – Biomedicine, Cosmetics, Adverse Events - Non-Serious
6. HUMANIZED DIPEPTIDYL PEPTIDASE IV (DPP4) ANIMALS

Few details on Chemical Project

1. FLUORINATED POLYMER ADDITIVES DERIVED USING HYDROPHILIC CHAIN TRANSFER AGENTS FOR ARCHITECTURAL COATINGS
2. ENZYMATIC HYFROLYSIS OF DISACCHARIDES AND OLIGOSACCHARIDES USING ALPHA-GHUCOSIDASE ENZYMES
3. COATING COMPOSITIONS FOR PACKAGING ARTICLES SUCH AS FOOD AND BEVERAGE CONTAINERS
4. SAFETY DATA SHEET for PRINCIPAL 55, DRYEXX SF, APEX POWER etc.
