

English to French translator and editor specialized in journalism, non profit organizations and literary translation

*Native language: French*

*5 years of experience translating and editing full-time on a freelance basis.*

Senior translator/Editor

COURRIER INTERNATIONAL

Translation and editing of email marketing copy and articles. Translation of 100k+ words. I was one of the main French translators on the team.

FRANKLY FLUENT

I was lucky enough to work on many projects for the public sector, including articles and PR releases, and to proofread hundreds of thousands of words. Consequent projects with a heavy week load (between 10 and 15k words per week).

Translator and proofreader for translation agencies  
(collaborations from 2016 until present time)

EasyTranslate – Denmark (mostly transcreation copy and translation for the travel industry, 300k+ words translated and edited)

Language Connect – England (mostly NGOs and fashion translation for global brands. 900k+ words edited)

QUARTO – Translation for market research and journalism (more than 100k words edited)

DA Languages – Translation of legal documents for the public sector (mostly contracts, financial documents, debt recovery) 150k+ words edited.

ProLanguageTraining – Translation and editing for government bodies and the public sector (large projects of 10k+ words)

Transperfect - Localization expert for the French market (has worked on

more than 70 projects so far)
