HUNGARIAN—MOTHER TONGUE

I was born, grew up and finished my schools in Hungary.

ENGLISH—FLUENT

I have studied this language for 12 years.

I have gained a state-accredited language certificate during my studies at the university.

My studies, jobs, and relationships abroad, e.g. in Bristol, helped me master English.

FRENCH—FLUENT

I know French well, thanks to my choices in personal life.

I live and work in France and speak in French for years now.
