PROFESSIONAL EXPERIENCE

During the past 20 years I have worked with content writing, proofreading, reviewing facts, and developed educational materials including online educations. I have also given lectures. I have worked for the following companies:

- **Holistic Sweden AB**
2011–2020
- **Alpha Plus AB**
2004–2011
- **Wasa Medicals AB**
2000–2004

My own company

Alongside with above employments I have lectured for companies and schools such as AstraZeneca, School of Nutritional medicine in Stockholm and at the School of Osteopaths in Gothenburg.

Department of clinical immunology, Sahlgrenska

1999–2001

Scholar for Agnes Wold at the department of clinical immunology, Sahlgrenska Hospital in Gothenburg. I studied the connection between the intestinal microflora and development of allergy.

EDUCATION
