Objective & Key Career Achievements

COVER LETTER

I come very respectfully to your high benevolence, to apply for a Job.

Indeed, Sir/Madam I hold two PhDs, one in Physical and Applied Sciences

(Electronic Option), the work of which is carried out jointly between the Laboratory of Applied Sciences in Strasbourg (France) and the Faculty of Sciences of University of South Africa,

as well as CEPAMOQ (Center for Molecular Atomic Physics and Quantum Optics) of the University of Douala in Cameroon. The second PhD doctoral thesis that I am currently carrying out here at Anhui University of Science and Technology of China, deals with underground constructions in the field of Civil Engineering. At the same time, I also hold two Master degrees, one on applied sciences in the field of photovoltaics and electronics, jointly obtained at the University of Bremen in Germany, and the

other Master degree relating to the field of Civil Engineering, whose laboratory work was carried out at the University of Milan, in Italy.

Staying for more than ten years abroad for studying between Europe, USA,

i have a great and solid background in exchange cultural academics, also a strong and solid foreign languages background that i will be proud and honored to share with all of my future colleagues.

I'm also a Certified TEFL teacher in English language and German

language and can teach so many things in different areas such as grammar, pronunciation, sentences, verbs, stories books, essay writing, text interpreting. And also discuss topics about traveling, college, life, hometown, etc.

As hobbies, i love traveling and already have been in many countries in

Europe and USA. I also have already visited many cities here in China. I'm very passionate of Opera and classic music. I very well play piano and violin since childhood. As sport practice, i like playing golf and lawn tennis in summer season.

As a result, I feel fully able of putting my professional skills, my human qualities, my dynamism and my dedication to the service of your company to good use.

Hoping to have captured your full

attention, please accept, Sir/Madam,
the expression of my deference.

Bénédicte Touogam Touolak

My Key Skills: Teaching, Hybrid between analytical and creative skills, Microsoft office suite, administrative systems applications, Document Translation Advanced
