PERSONAL PROFILE

I have more than 40 years of experience from working in both small, medium and large companies.
Mostly in metal based jobs.
Owner of a shop for selling and repairing of garden and park equipment, ATV etc.

SKILLS & PERSONALITY

Loves to communicate.
Masters both details and the grand view - cool right?
Able to stay cool in heated situations and always looks for opportunities instead of stopping points.
Prefer to call a spade for a spade, instead of a handoperated digging tool.
Great technical understanding of almost any type of machines.
