📍 Address: House #155, Mughal Azam Town, Mirpurkhas, Sindh, Pakistan

Professional Summary

Creative and articulate professional with 12 years of experience in education, project development, and community engagement. Adept at developing engaging instructional content, leading capacity-building initiatives, and fostering strong communication with diverse audiences. Now seeking to transition into the digital space to leverage my skills in content creation—particularly in educational and tutorial formats—to support beauty brands in showcasing their products effectively on social media platforms.
