WORKING METHODOLOGY

I am currently work from my home office in Cork, Ireland. In 2006 I have founded Virtualelingua Ltd, an online professional team of certified native speakers working in all European and Asian Languages. We offer on- time and accurate translation at highly competitive rates. All translations are submitted to a strict internal quality check including a second review by an expert within the required sector. Please kindly note that we do have certified translators with a Degree in Law, Medicine and Engineering as well as Professional Marketers. For any further information please kindly visit our website: www.virtualelingua.com
